3.	Personal Development Lakeside has now been at our new site for over a year now. Since the move, there have been some huge changes in terms of the curriculum content, the quality of the provision in the classrooms and the behaviour standards. Our pastoral offer remains at the heart of the Academy so all children receive a high-quality education alongside a nurturing approach. We offer Thrive and Elsa to support children who may need something beyond what the classroom can offer. In addition, we aim for all children to have a trip and an experience each year and we have a range of clubs on offer. The questions, to consider for discussion are- <ol style="list-style-type: none">1. How can we be even better at our personal development offer for the children?2. How can we raise the profile of Lakeside in the wider community, including on social media?	Discussion from all
